  - Voted for by 60,000 technical staff

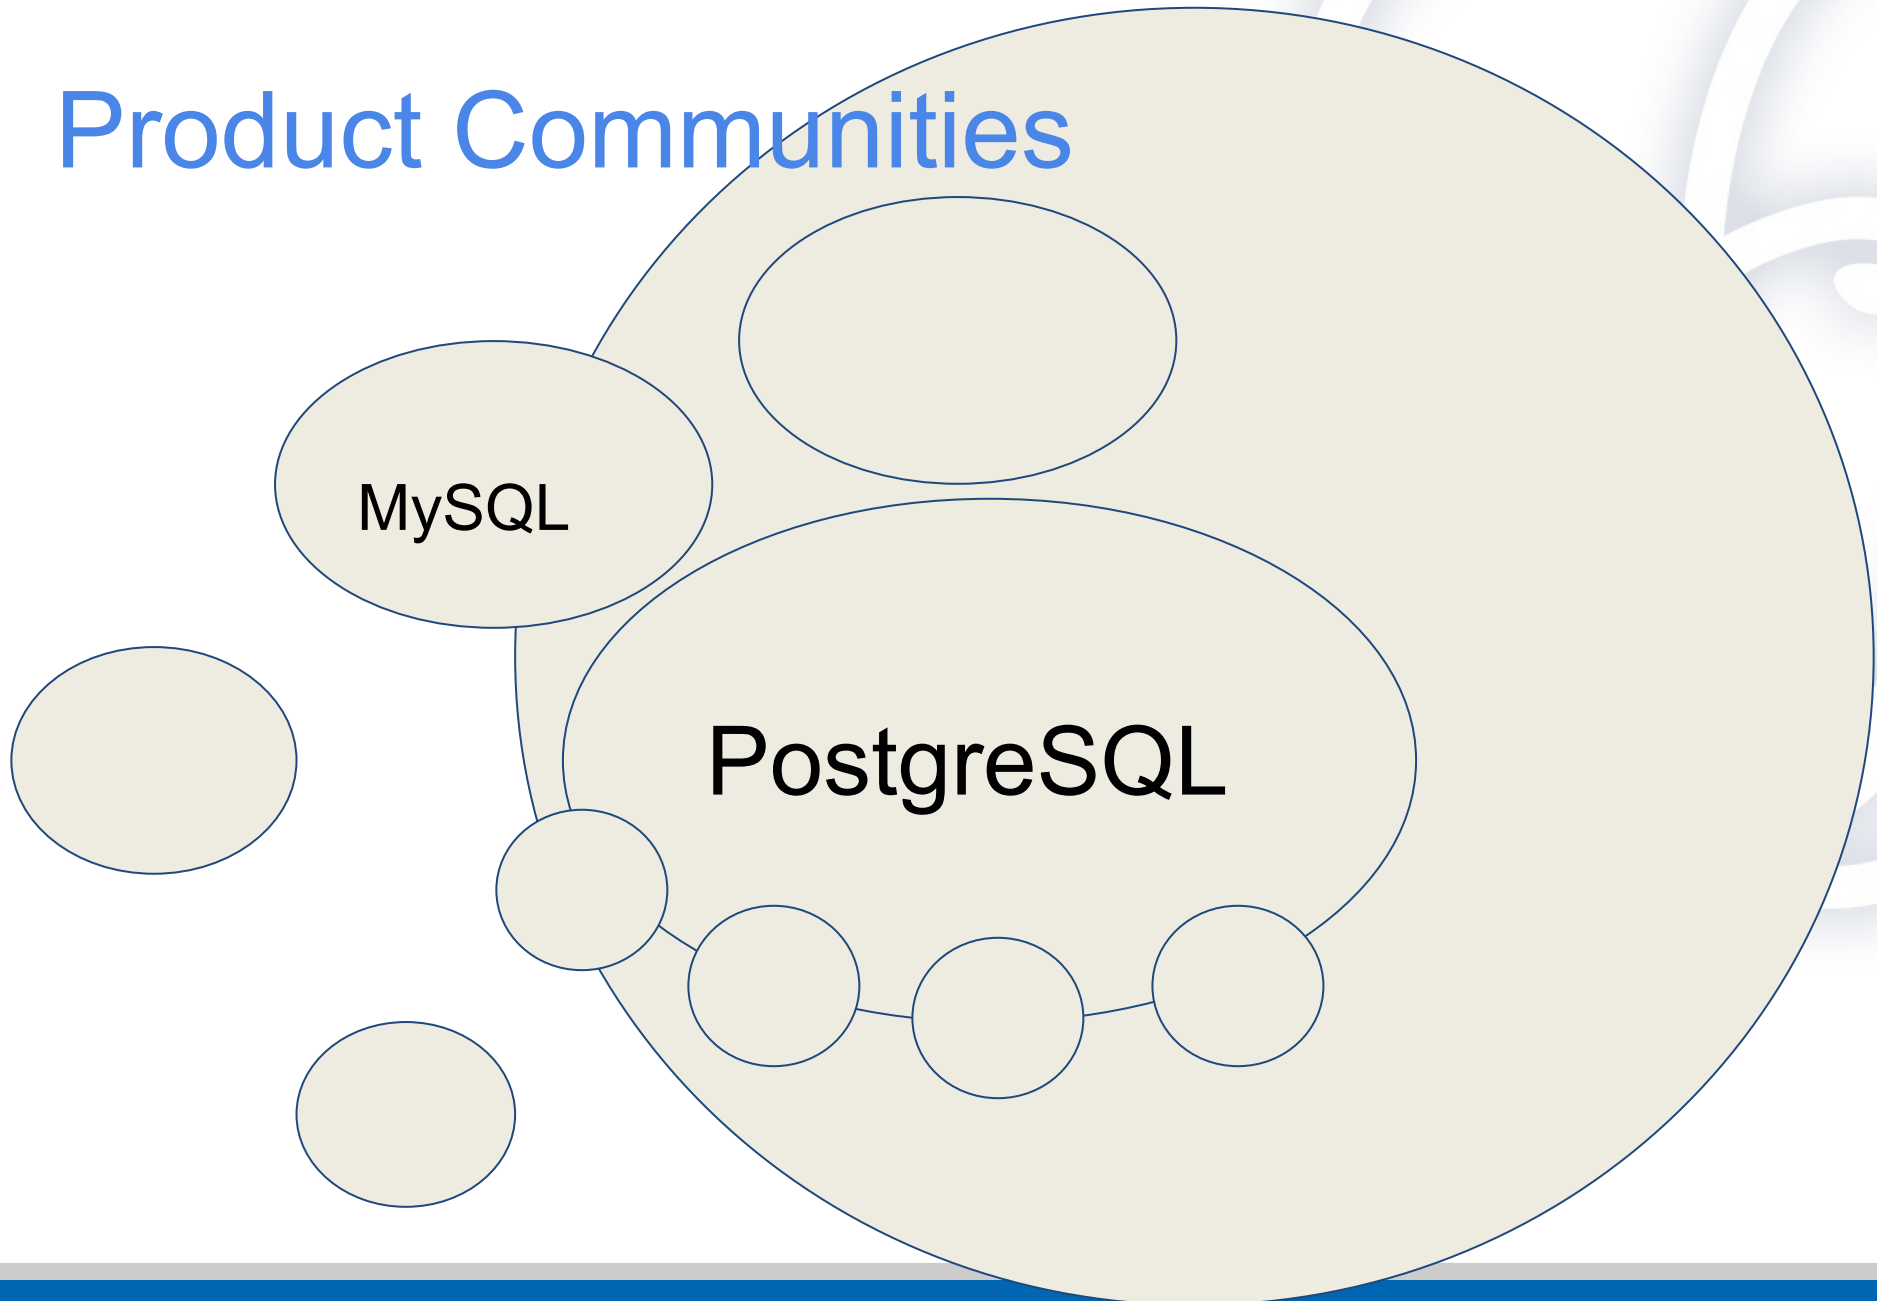

## Product Communities (2019)

## Product Communities

## Growing PostgreSQL

- Nothing Big is Homogenous
  - Many sub-groups and small sub-communities
- Many dimensions
  - Product Function → Users
  - Product Careers → Experts
  - Product Satisfaction → Hearts
  - Product Awareness → Minds
  - Product Extensibility → Industry

## PostgreSQL Use Cases

Many ideas, many use cases

- Relational
- Post-Relational
- GIS
- Full Text Search
- XML/JSON document
- Graph
- Business Intelligence
- Time-Series

## Growing PostgreSQL from every angle

- Listening to Users
- Writing Features
- Peer Review at CommitFests
- Releasing Software (RMT)
- Fixing Bugs and Removing security flaws
- Publicising PostgreSQL
- (Re)Training new engineers
- Migrating existing systems and data
- Production Support for Businesses
- Standardization
- Sponsoring new SIGs/Regional PUGs
